

THE NEED

- Only 32% of university women actually graduate.
- Only % 50 of university women work outside the home.
- According to World Economic Forum's 2020 Gender Gap Index:
 - Turkey ranks 130 out of 153 countries.

SPARKS PROGRAM

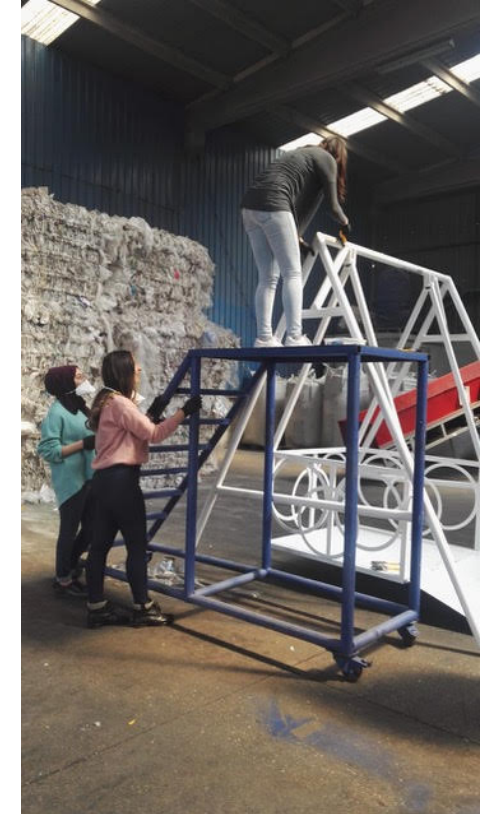

Leadership development for university women:

- Over 8 months, weekly meetings in team, led by a facilitator.
- Social change Project.
- Role models.
- Trainings in teamwork and project work.
- Leadership skills practice.

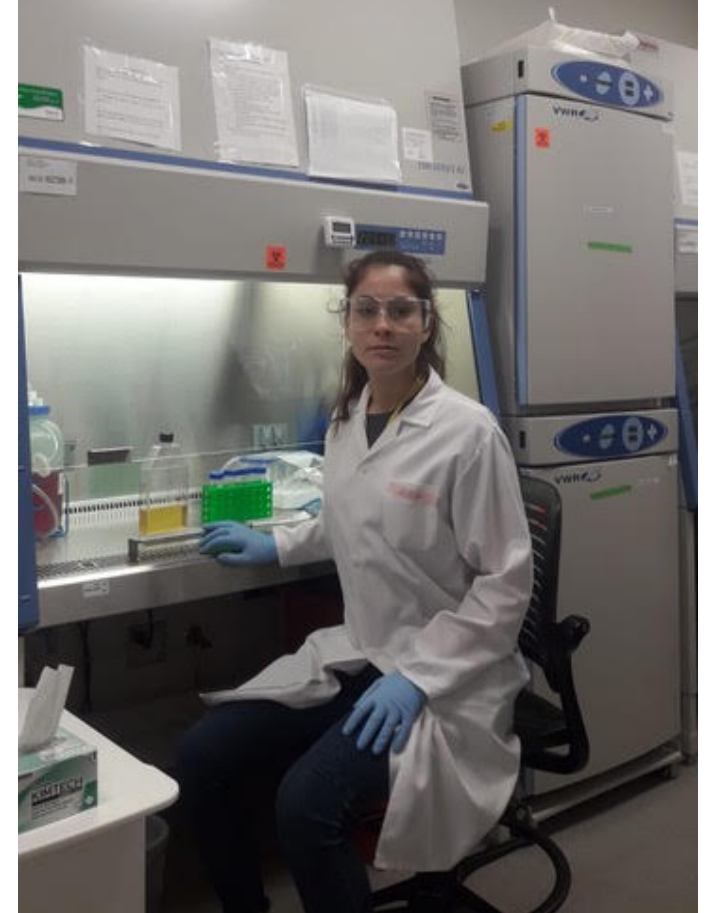

RESULTS

- Over 400 graduates
- Last year, social change projects reached a total of 35,000 people
- Year-end Virtual Summit watched by over 3,000 people.

ZEHRA MORÇİMEN

From a small town...to Drexel University...
on her way to being a scientist

LİZGE DAĞ

From adjusting to student life in a big city...
to surgery nurse in a major hospital

İMPACT

- All Sparks women graduate from the university
- The vast majority report that:
 - they have gained work and life skills
 - increased their awareness of important issues
 - have much better sense of who they are and their career paths
- Majority are employed in the workforce

***THE SPARKS PROGRAM IS NOW AVAILABLE ONLINE TO YOUNG WOMEN
FROM UNIVERSITIES THROUGHOUT TURKEY !***

Congratulations to UN on 75th Anniversary!

TWI is a chapter of ATASC.
